

Tenakill Brook Stream Clean-Up

The Tenafly High School Green Team collaborated with The Hackensack Riverkeeper Alliance for a stream clean-up of the Tenakill Brook. Six garbage bags full of trash were collected from the stream in just 90 minutes! Councilwoman Dr. O'Connor, liaison to the Tenafly Environmental Commission, was on hand to lend support and remind everyone of the town wide Trash-a-Thon that will be taking place on Sunday, May 7th."
