

You're invited to join the Tenaflly Mayor's Wellness Campaign!

Make your restaurant a "Healthy Choice Partner" and join the campaign's effort to encourage a healthy lifestyle and wellness in our community.

Joining is as easy as saying YES. All you need to do is -

- a) add a Healthy Choice Partner sticker to the front of your menus,**
- b) designate the selection that best represents a "Healthy Choice" on your menu, and**
- c) If possible, exhibit the Tenaflly Mayor's Wellness Campaign logo in the restaurant.**

The price is right – TMWC will supply the stickers.

There are plenty of benefits to participating in this community led initiative to enhance our citizen's well being:

- Your restaurant will be listed/promoted on the Tenaflly Mayors Wellness Campaign web site and linked to your restaurant's web page.**
- You will be able to distribute promotional materials/menus and/or participate at the Tenaflly Mayor's Wellness Campaign booth at events such as the health fair at the Tenaflly 5K Run (June 2) and the Rubin Run at the Kaplen JCC on the Palisades on Mother's Day (May 12).**
- You will be highlighting healthy choice options for your customers and taking steps towards making a difference in our community's well being. Think about how good you will feel about that!**

To sign on as a "Healthy Choice Partner" call Jim Byrne 201-674-5472.
